

## Mammamia Drop Led

- Led bulb with an extremely elegant and precious shape. The large size, the porcelain-like finishing, the high flux, the refined design, the high visual comfort make this bulb a unique and refined masterpiece capable of furnishing and illuminating all environments, domestic, commercial, small and large . A true work of art that starts from Italian design, marries ancient master glassmakers and merges with the best and most efficient LED technology.
- Registered design
- High CRI
- Operating temperature:  $-20^{\circ}\text{C} \sim +50^{\circ}\text{C}$
- IC Driver constant current design
- Wide light emission
- Long duration
- High energy savings
- Inside vacuum lamp with the addition of special gases to allow the correct dissipation of the LED temperature.
- Dimmable with triac edge dimmer
