NEW GENERATION TESLA LIGHTING

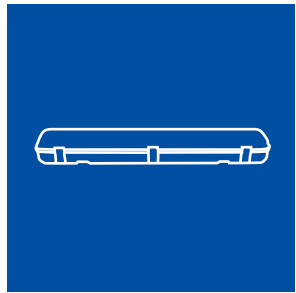

TESLA LED TRI-PROOF LIGHT AERO

Easy and functional

CE   
IP65

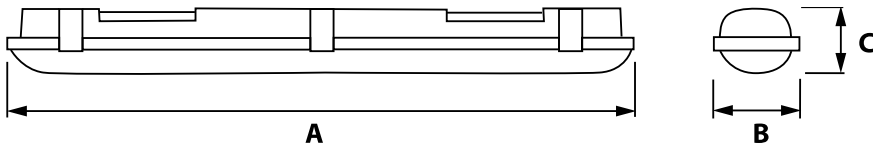

New design of TESLA Tri-Proof AERO industrial LED Lighting applies wherever higher resistance is required. The resistance to dust and moisture is ensured by IP65 protection. The unique heat dissipation system ensures a long life span of 50,000 hours. Thus resulting in a classical reliable TESLA luminaire.

TESLA LED TRI-PROOF LIGHT AERO

CATALOGUE NUMBER	POWER	LENGTH	LUMINOUS FLUX	BEAM ANGLE	COLOR TEMPERATURE	LIFE SPAN	CRI	OPERATING TEMPERATURE	IP	WEIGHT
TP124040-6F	40W	1220mm	5200lm	120°	4000K	50 000h	≥82	-20°C - +40°C	IP65	2,00kg
TP156040-6F	60W	1560mm	7800lm	120°	4000K	50 000h	≥82	-20°C - +40°C	IP65	2,42kg

Dimensions

- A= lenght 1220/1560mm
- B= width 100mm
- C= height 82mm

Features

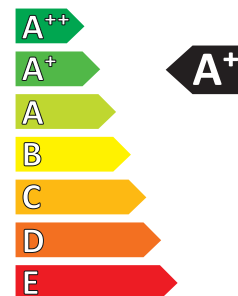

- Frosted cover
- IP65
- Lifespan 50 000 hours
- Environmentally friendly - free of mercury, lead and other dangerous substances
- 230V
- PF >0,95
- Tridonic driver

Application

- Tunnels, production and storage areas, airports, petrol stations, station lighting.

Energy Class

Packaging

- 6pcs/carton
