TRESKRUE TSC-C5M SECOR 4,2X25

3782260

1359894

7315883782268

Technical information

► Additional information

quantity per set set of 100

► Certifications and standards

product certifications SECOR no 0007/03

► Connections

screw diameter 4.2 mm mm

screwdriver shape Phillips No 2

► Environment

ambient air temperature for operation -40...250 °C °C

► Physical characteristics

screw length 25 mm mm

shape of screw head large thin head

material screw : acid-proof stainless steel AISI 316

atmospheric-corrosivity category C5-M

product weight 0.00252 kg kg

► Product identification

range of product Thorsman

product or component type screw

device short name TSC

screw type fully threaded with twin thread

tool type screwdriver

powerdriver

► Usage / Application

device application metal sheet 2 x 0.9 mm
