

ZLS-101

WATER LEAKAGE DETECTOR

An indoor water leakage detector that alerts via Nexa Bridge or another Z-Wave compatible controller when detecting water under, for example, a dishwasher, washing machine, refrigerator, freezer or other exposed areas.

DOES NOT alarm with acoustic signal.

- Z-Wave Plus
- Easy installation
- Tamper switch

TECHNICAL DATA

Power source	3V, 1 x CR-2
Protocol	Z-Wave (868,42 MHz)
Range	Up to 30 meter
Temperature range	-10°C till +50 °C >95% RH
Cable length, sensor	120 cm
IP class	Indoor use
Size (H x B x D)	26 x 72 x 21 mm Sensor: 29 x 27 x 14 mm
E-nummer (SV)	17 108 55
EL-nummer (EN)	45 145 62
Art nr EAN	86820 7330545868203
