

 **MICROWAVE MOTION
SENSOR *OPTIONAL***

BASIC SPECIFICATIONS

LCL-19W

220-240VAC 50/60Hz
Wattage: 19W
PF: > 0.9
Lumen output: 1020 lm
Warmwhite 2700K
CRI 82
IP 20

LCL-26W /S

220-240VAC 50/60Hz
Wattage: 26W
PF: > 0.9
Lumen output: 1400 lm
Warmwhite 2700K
CRI 82
IP 20

FEATURES AND BENEFITS

Constant Current Driver

Optional Radar Motion Sensor

- Automatically switch on/off according customized modes
- Different modes available programmed by DIP switches

Quick Connection

Easy Installation

High Quality SMD LED chips

Simple Stylish Design

- Aluminum canopy with White Silver, Bronze colors optional
- High light transmittance diffuser produces more even light distribution

Up to 40,000 hours lifetime

Up to 85% energy saving

Superior light output

3 years limited warranty
