

Coreline Highbay Gen4

BY121Z G4 BR L400

Accessory - Coreline Highbay Gen4

Following the success of the previous generation CoreLine High-bay, the upgrade to a new generation further improves performance with new innovation design and provides higher efficiency, longer lifetime (to further improve the total cost of ownership), and optional DALI dimming for even further savings. Designed as a replacement for HPI 250/400 W luminaires, CoreLine High-bay G4 offers customers all the benefits of LED lighting – fresh light quality, longer service lifetime, reduced energy consumption and less maintenance – from a trusted manufacturer. At the same time, it delivers clear benefits for the installer too. The luminaire can be installed on the existing grid; electrical connection is straightforward – there is no need to open the luminaire for installation or servicing; and being smaller and lighter than conventional luminaires, it is very easy to handle

Product data

General Information		Dimensions (Height x Width x Depth)	
CE mark	-	50 x 171 x 398 mm (2 x 6.7 x 15.7 in)	
Material	Steel	Approval and Application	
Angle	60°	Ingress protection code	-
Accessory color	Gray	Mech. impact protection code	IK08 [5 J vandal-protected]
Mechanical and Housing		Product Data	
Overall length	398 mm	Full product code	871016334187300
Overall width	171 mm	Order product name	BY121Z G4 BR L400
Overall height	50 mm	EAN/UPC - Product	8710163341873
		Order code	911401511761

Coreline Highbay Gen4
