

**klemko®**  TECHNIEK BV

# PRODUCT SPECIFICATIONS:

|                                    |               |
|------------------------------------|---------------|
| Model                              | Static        |
| Suitable for outdoor use           | Yes           |
| Housing                            | Metal housing |
| Suitable for constant current      | No            |
| Suitable for constant voltage      | Yes           |
| Output voltage (V)                 | 24 - 24       |
| Output power (W)                   | 1 - 150       |
| Degree of protection (IP)          | IP67          |
| Length (mm)                        | 315           |
| Width (mm)                         | 68            |
| Height (mm)                        | 54            |
| Dimming 0-10 V                     | No            |
| Dimming 1-10 V                     | No            |
| Dimming DALI                       | No            |
| Dimming DSI                        | No            |
| Dimming DMX                        | No            |
| Dimming potentiometer (integrated) | No            |
| Dimming phase cut-off              | No            |
| Dimming phase cut-on               | No            |
| Compatible with Casambi            | No            |
| Dimming Zigbee                     | No            |
| No dim function                    | No            |
| Rated voltage (V)                  | 180 - 230     |
| Voltage type                       | DC            |
| Rated frequency (Hz)               | 50 - 50       |
| 0.9                                |               |
| ( °C)                              | -20 - +40     |
| Aluminium                          |               |
| No                                 |               |
| Number of channels                 | 1             |
| Yes                                |               |
| Yes                                |               |
| Yes                                |               |
| Operation by Bluetooth             | No            |
