DATI TECNICI / SPECIFICATION / CARACTÉRISTIQUES / CARACTERISTICAS / SPEZIFIKATIONEN

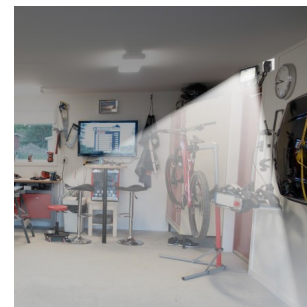

Product name:	INCA
Power supply:	SOLAR
Power supply included:	YES
Type of power supply:	SOLAR PANEL
Batteries included:	YES
Battery (type):	18650
Battery (capacity mAh):	Li-Ion 18650
Battery technology:	LITHIUM-ION
Runtime (hrs):	1
Light technology:	COB LED
Power (W):	10
Light beam:	DIFFUSE
Materials:	PLASTIC - ABS
Colour:	Black
Switch:	YES
Protection degree (IP):	IP44
Guarantee:	2 ANNI
Product width (mm):	210
Product depth (mm):	162
Product height (mm):	127
Net weight kg):	0,906

DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

Extremely bright: thanks to the use of the latest generation COB LEDs, the spotlight reaches 1600 lumens. It is a perfect security light to illuminate a passage, an entrance ... Thanks to the motion detector, it will turn on and off automatically in case of movement. Energy saving: The solar lamp with motion detector is recharged by a solar panel under the sunlight and without electricity bill. The solar panel and the projector are connected by a 3.7m long cable. Easy installation: just fix the spotlight to the wall (adjustable support) and connect it to the solar panel using the waterproof connector. The installation is finished! Waterproof and Durable: With IPIP44 certification (water resistant, this sunlight is suitable for any atmospheric environment. Extremely robust polycarbonate body. The 1W solar panel is made of hyper resistant plastic. The included battery is also replaceable (Li-ion 1.2Ah 18650): you can therefore increase the autonomy with a battery with more capacity. The spotlight is supplied with a USB cable: you can therefore choose not to connect it to the solar panel but to a normal 5V 1A charger (of the type you use for your smartphone). It will always be operational, even indoors or in unlit areas. you can therefore choose not to connect it to the solar panel but to a normal 5V 1A charger (of the type you use for the smartphone). It will always be operational, even indoors or in unlit areas.
