

A white, rectangular electronic device, likely a power supply or control unit, with a label and ventilation slots. The device is shown from a three-quarter perspective, highlighting its slim profile and the ventilation grilles on its side. The label on top contains technical specifications and a barcode.

Drivere						
Vare	El nr	Spenning	Watt	Konst Spenning	Konstant Strøm	Dimming
MD 48	6601038	230V	48	12V		Nei
MD 70	6601041	230V	70	24V		Nei
MDR 40	6601065	230V	40	12V		1-10V/Impuls
MDR 60	6601098	230V	60	24V		1-10V/Impuls

Informasjon							
Vare		IP		L x B x H (mm)	Levetid	Produsent	Bilde
MD 48		20		206 x 51 x 36		QLT	
MD 70		20		206 x 51 x 36		QLT	
MDR 40		20		206 x 51 x 36		QLT	
MDR 60		20		206 x 51 x 36		QLT	

QLT drivere

- MD -> Av/På

- MDR -> Dimming med 1-10V eller Impuls

Ved impuls dimming legges en synce-kabel mellom driverne, slik at driverne blir synchrone.
